"Whereas the oath of secrecy of Free-Masonry and other oath-bound secret societies is unethical and anti-scriptural; (See Leviticus 5:4) and

"Whereas the religion of Free-Masonry is Unitarian and Universalistic and therefore Anti-Christian; (See Mackey's Ritual) and

"Whereas members of a Masonic lodge are 'unequally yoked with unbelievers' in that they recognize non-Christian Jews and Mohammedans as 'brothers'; and

"Whereas Masonry in its syncretism or inclusivism is inimical to the deepest interests of The Orthodox Presbyterian Church and destructive of the very ideology that brought it into being;

"THEREFORE, the Presbytery of Wisconsin respectfully overtures the General Assembly of The Orthodox Presbyterian Church in session at Philadelphia to rule that no member of a Masonic order shall at the same time be a communicant member in good standing in The Orthodox Presbyterian Church."

REPORT OF THE COMMITTEE ON CHRISTIAN EDUCATION

The Committee on Christian Education submits the following report:

In accordance with the instructions of the Fourth General Assembly, the Committee has, through the cooperation of The Presbyterian Guardian, established a Young People's page in that organ.

Having been instructed by the Fourth General Assembly to recommend certain tracts in harmony with the Reformed Faith, this Committee is practically prepared to publish such tracts as soon as the General Assembly grants power to receive and disburse funds. These tracts include some by the Rev. Dr. Lawrence B. Gilmore, dealing with such subjects as Creation, Providence, Sin, Grace, The Good Shepherd, The Blood of Christ, The Holy Spirit, and The Blessed Trinity. Also a sub-committee consisting of The Rev. Dr. VanTil, The Rev. Mr. Young, and Elder Freytag, has been appointed to consider the preparation of Longer Doctrinal Tracts.

The Committee has made arrangements for the popular meeting of this evening at which the Rev. Cornelius VanTil, Ph.D., will speak on the subject, "Modern Psychology of Religion in Relation to Christianity."

The following recommendations were adopted by the Assembly:

1. That the Committee on Christian Education be given power to receive and to disburse funds for the promoting of the work of Christian Education.

2. That pastors and sessions be urged to encourage the people of their congregations to organize Christian Education societies. Such societies could seek to help Christian parents in their present educational problems and could seek to stimulate interest in the formation of Christian day schools.

3. That every church of The Orthodox Presbyterian Church be urged to include The Presbyterian Guardian in some way in its regular benevolence budget as a missionary enterprise of the church.

That the Committee on Christian Education be instructed to cooperate with the editors of The Presbyterian Guardian in promoting the interests of The Orthodox Presbyterian Church through its pages, and also positively to encourage the churches to increase their support of The Guardian through their subscriptions and contributions.

4. That, in view of the great and central place of Westminster Theological Seminary in the educational work of our church, sessions and congregations be urged to place this Seminary in their respective church budgets.

5. That pastors and sessions be urged to support Summer Conferences that are faithful to the Bible and the subordinate standards of our Church.

6. That pastors and sessions be urged to provide instruction in the Scriptures and the Catechisms of our Church for the covenant youth and for any who contemplate joining our Church. In this connection the Committee calls attention to the availability of A Catechism for Young Children as an introduction to our Shorter and Larger Catechisms.

A motion was made and, after amendment, carried as follows: That this Assembly recommend The Key, a publication of the Christian Reformed Publishing House, for use in the Sunday Schools of our churches.

The following persons were nominated to membership on the Committee on Christian Education for the class of 1942: Ministers R. W. Gray, E. J. Young, J. W. Price, W. T. Strong, and J. H. Skilton, and Elders C. Freytag, Schull, J. H. McClay, and C. A. Dunlap. The nominations were closed.

The Committee appointed by the Fourth Assembly to study the particular powers of jurisdiction of the Committee on Home Missions and Church Extension and the Presbyteries reported, recommending that no action be taken on this question. It was moved and carried that the report be received. It was moved that the report be adopted.

At 5:45 P. M. it was moved and carried that the Assembly recess until 9:00 A. M., Thursday, May 11, and that discussion be resumed at the point where it was broken off.

The Assembly recessed after prayer by the Rev. Alexander K. Davison.

At the public rally held Wednesday evening under the auspices of the Committee on Christian Education the Rev. Cornelius Van Til, Ph.D., spoke on the subject, "Modern Psychology of Religion in Relation to Christianity." An offering was taken for the work of the Committee.

Thursday, May 11

The Assembly reconvened at 9:00 A. M. and a devotional service was conducted by the Rev. Henry D. Phillips.

The Rev. Marvin L. Derby led in the constituting prayer.

The Minutes of the previous day's sessions were read, corrected, and approved.

The Committee on Overtures and Papers announced it was ready to report.

The report of the Committee concerning Overture No. 1 from the
Presbytery of Wisconsin was received and the recommendation adopted. The report with the recommendation is as follows:

"Concerning the overture from the Presbytery of Wisconsin, the Committee on Overtures and Papers would call the attention of the Assembly to the fact that it has no power to lay down extra-constitutional requirements for membership in the Church.

"The Committee does not favour sudden and drastic action in the matter of membership in oath-bound secret societies, but does recognize the importance of this problem confronting the Church, and the necessity for fully considering this matter, and therefore

"RECOMMENDS to the Sixth Assembly the election of a committee of five to investigate the principles and practices of oath-bound secret societies and to report its findings to the Seventh Assembly."

It was moved an carried that the Assembly proceed to the nomination and election of the members of this Committee. The following persons were nominated: Ministers Murray, Rian, Holkeboer, VanTil, Kuiper, DeWaard, Davison, Woolley, Gilmore, Weisiger, and R. Strong, and Elders Stuart, Mayson, and Thompson. The request of Mr. DeWaard to be permitted to withdraw his name was granted.

It was moved and carried that at the close of the first ballot, the five names having the lowest number of votes be dropped, and that on the next ballot the five names having the highest vote be declared elected.

The vote was taken.

While the tellers were counting the ballots, the Committee on Overtures and Papers reported on Overture No. 2 from the Presbytery of New York and New England. The report was received and the recommendations adopted, as follows:

"The Committee recommends that the Assembly divide the Presbytery of New York and New England as follows:

1. "The Presbytery of Metropolitan New York, to embrace New York City, Connecticut, Long Island, and that part of New York State on the mainland within an eighty (80) mile radius of the City Hall of New York.
2. "The Presbytery of New York State, to embrace the whole of New York State outside that part included in the Presbytery of Metropolitan New York.

The Committee on Overtures and Papers reported on Request No. 1 from the Presbytery of the Dakotas. The Report was received and the recommendation adopted, as follows:

"In response to the request for information from the Presbytery of the Dakotas, concerning the resolution sent down by the Fifth General Assembly with reference to the change of name of the Church, the Committee recommends that the Assembly call to the attention of the Presbytery the fact that Chapter XXIV of The Form
of Government demands that proposed changes in the forms of subscription required of ministers, licentiates, ruling elders, and deacons, must first be considered by a committee which shall report to the next Assembly, before the proposed changes shall be sent down to the Presbyteries for action.'

The Committee on Overtures and Papers reported on Request No. 2 from the Clerk of the Presbytery of the Northwest. The Committee's recommendation was amended and adopted by the Assembly as follows:

1. "That the Assembly declare that the Presbytery of the Northwest no longer exists as a Presbytery because the number of its members has fallen below the constitutional requirement.

2. "That the ministers and the congregation of that Presbytery be assigned to the Presbytery of California."

The tellers reported the results of the vote for members of the Committee on Oath-bound Secret Societies as follows: Mayson 43, Holkeboer 30, Davison 29, Murray 27, Woolley 25, Thompson 25, Kuiper 21, Gilmore 19, Van'Til 18, Rian 18, Strong 14, Stuart 12, Weisiger 7. The last five names were dropped, and the Assembly proceeded to take another vote.

While the vote was being counted, it was moved and carried that the motion on the floor at the close of the session Wednesday afternoon be laid on the table for the present.

The tellers reported the results of the second ballot for members of the Committee on Oath-bound Secret Societies as follows: Mayson 48, Thompson 45, Holkeboer 40, Davison 35, Woolley 34, Murray 31, Kuiper 28, Gilmore 28. The first five were declared elected to the Committee.

It was moved and carried that the recommendation be adopted.

The reports and recommendation are as follows:

REPORT OF THE COMMITTEE ON HOME MISSIONS AND CHURCH EXTENSION
OF
THE ORTHODOX PRESBYTERIAN CHURCH
to
The Sixth General Assembly
May 11, 1939

The Committee on Home Missions and Church Extension has held nine meetings since the Fourth General Assembly, and has endeavored to the best of its ability to carry out the instructions of the Fourth and Fifth General Assemblies.
Minutes of the Sixth General Assembly

Work of the General Secretary

Following the instructions of the Fourth General Assembly, the Committee met in joint session with the Committee on Foreign Missions and on June 14, 1938, elected the Rev. Robert S. Marsden general secretary for a period of one year from the date of his assumption of office, July 15, 1938. A salary of $75 per month has been paid to Mr. Marsden by the Committee, and the Committee on Foreign Missions pays him a like salary. Through the wholehearted cooperation of the pastors and sessions, the General Secretary has been privileged to present the work of the Committee in 48 different churches during these ten months. In addition to one extended Western trip, Mr. Marsden has made numerous trips throughout the East in the interest of the Committee. He has likewise prepared, each month, missionary study material for missionary societies and has operated the office of the Committee.

The Civil Suit

Following the instructions of the Fifth General Assembly, the appeal in the civil suit was withdrawn, and the costs to the plaintiffs, which had been assessed against the Committee as the defendants, have been paid in full to the amount of $182.77. The bond of the Committee, in the amount of $5,000, which had been signed by the late Harry A. Worcester, has been released, and the civil suit is closed.

Missionaries Serving Under the Committee

The following missionaries are now serving under the Committee. The list includes aid-receiving pastors of organized churches and missionaries who are now organizing churches:

- Rev. C. A. Balcom, Wilton, North Dakota.
- Rev. James B. Brown, Lincoln, Nebraska.
- Rev. Robert B. Brown, Omaha, Nebraska.
- Rev. Edward B. Cooper, Pittsgrove, New Jersey.
- Rev. Thomas M. Cooper, Lincoln, Nebraska.
- Rev. John Davies, Gresham, Wisconsin.
- Rev. Leslie A. Dunn, White Horse, New Jersey.
- Mrs. David Freeman, Philadelphia, Pennsylvania.
- Rev. A. Culver Gordon, Bancroft, South Dakota.
- Mr. Edward F. Hills, Cedar Grove, Wisconsin.
- Rev. Leland C. Jorgensen, Milwaukee, Wisconsin.
- Rev. Walter J. Magee, Hamill, South Dakota.
- Rev. Russell D. Piper, Los Angeles, California.
- Rev. J. Lyle Shaw, Newport, Kentucky.
- Rev. E. Lynne Wade, Santa Ana, California.
- Mr. David A. Watson, Philadelphia, Pennsylvania.
- Rev. Edward Wybenga, Waterloo, Iowa.

The Committee is happy to be able to record that many of the missionaries now require less aid than they did a year ago due to the growth of the work in which they are engaged. The Committee deeply appreciates the sacrificial way in which the missionaries and their families have carried on the work, and renders thanks to the Lord who has given so abundant an increase.
Minutes of the Sixth General Assembly

Contributions

The Committee is glad to be able to report that contributions to its work have increased substantially during the past year. Contributions have been received from 63 churches and 170 individuals during the fiscal year ending March 31, 1939. Much of this increase resulted from a gain in contributions from churches and church organizations of 24 per cent, which the Committee regards as a remarkable gain indeed. It has been possible to pay the salaries of the home missionaries and all other expenses in full each month since October 1, 1938. Continuation of this record depends, however, upon the continued sacrificial giving of all our people, for while the budget has been reduced to an amount below which efficient work cannot be done, the budget can be reached only with the help of each individual and each church.

The Rothwell Legacy

In January, Miss Nellie Pryce Rothwell of Middletown, Delaware, died, making the Committee the residuary legatee of her estate. It is not known at this time the amount which will be realized from the estate and nothing will be received before the early part of 1940. Ayres J. Stockly of Messrs. Hastings, Stockly, Duffy and Layton of Wilmington, Delaware, has been employed as counsel to protect the interest of the Committee in the estate.

Work Among Jews

Following the instructions of the Fourth General Assembly, missionary work has been started among the Jews. The work in Washington, D. C., is under the direction of Mrs. David Freeman, who receives only expenses, and the work in Philadelphia is in charge of the Rev. David Freeman. Part rent has been paid by the Committee, from funds designated for Jewish work, for the Jewish Gospel Center at 5140 Walnut Street, Philadelphia. The premises are also occupied by the New Covenant Presbyterian Church which shares in the rent. The Committee plans to expand the work among Jews as funds designated for that purpose are available.

Incorporation

Preliminary steps looking to incorporation of the Committee, in accordance with the resolution of the Fifth General Assembly, have been taken, and the incorporation will probably be completed within the next few months.

Elections to the Committee

The terms of office of the following members of the Committee expire with this Assembly: Ministers: John J. DeWaard, John H. Skilton, Robert Strong, S.T.D., Elder: Harry Frazer. The term of Elder Harry A. Worcester, deceased, would also expire at this time. Because distance has kept many members of the Committee from attendance at the meetings, and attendance at the meetings has been very small, the Committee would urge the General Assembly to give heed to the ability of members to attend, when it elects members for the class of 1942.

Recommendation

The Committee would recommend that the General Assembly urge the churches to stress the principles of stewardship and to adopt a sound financial policy in order that, in obedience to scriptural injunctions, collections may be made regularly for benevolent purposes.

REPORT OF THE COMMITTEE ON FOREIGN MISSIONS OF THE ORTHODOX PRESBYTERIAN CHURCH

TO

THE SIXTH GENERAL ASSEMBLY

May 11, 1939

Your Committee on Foreign Missions has held six meetings since the Fourth General Assembly and has endeavoured to the best of its ability to carry out the instructions of the Fourth and Fifth General Assemblies.

Following the instructions of the Fourth General Assembly, the Committee met on June 14, 1938, in joint session with the Committee on Home Missions and Church Extension, and elected the Rev. Robert S. Marsden general secretary for a period of one year from the date of his assumption of office, July 15, 1938. A salary of $75.00 per month has been paid to Mr. Marsden by the Committee, and the Committee on Home Missions and Church Extension pays him a like amount. Through the whole-
Minutes of the Sixth General Assembly

hearted cooperation of the pastors and sessions, the General Secretary has been privileged to present the work of the Committee in some 40 different churches during these ten months. In addition to one extended Western trip, Mr. Marsden has made numerous trips throughout the East in the interests of the Committee. He has likewise written the missionary studies in *The Presbyterian Guardian* and has conducted the office of the Committee.

The Rev. and Mrs. Henry W. Coray who had been under appointment by the Committee but without salary, were restored to full salary and allowances, effective June 1, 1938. At his own request, Mr. Coray was granted leave of absence to labor with the British and Foreign Bible Society for one year, beginning December 1, 1938, but, upon his resignation from the Bible Society because he found it impossible with good conscience to register as required by the Society, he was restored to full salary and allowances on January 1, 1939. On April 6, 1939, the Committee acceded to the request of Mr. and Mrs. Coray and to the recommendation of the Harbin station, to begin their furlough immediately, and the Corays are now in this country. Beginning furloughs in the spring of the year is in keeping with the best practice of mission boards.

On August 25, 1938, the Rev. and Mrs. Bruce F. Hunt, of Harbin, Manchoukuo, were appointed missionaries, effective August 1, 1938.

The following missionaries are now serving under the Committee:

- Rev. and Mrs. Henry W. Coray.
- Rev. and Mrs. M. C. Frehn, Tokyo, Japan.
- Mr. and Mrs. Richard B. Gaffin, Tsingtao, Shantung, China.
- Rev. and Mrs. Bruce F. Hunt, Harbin, Manchoukuo.
- Rev. R. Heber McIlwaine, Tokyo, Japan.

These missionaries have been engaged aggressively in evangelistic work as opportunities have presented themselves, in spite of the difficulties encountered, due to the Sino-Japanese war and the attitude of the governments of Japan and Manchoukuo toward making loyalty to the commands of God paramount to civil obedience. The Lord has given them souls for their hire, and has called out from the heathen among whom they have worked a people for His own possession.

The Committee is delighted to be able to report a remarkable increase in contributions during the past year. While the budget of the Committee has been increased from approximately $525.00 per month to $1,000.00 per month during the past year due to the election of a paid general secretary, the restoration of full salary and allowances to the Rev. and Mrs. Henry W. Coray, and the appointment of the Rev. and Mrs. Bruce F. Hunt, contributions have kept pace with the increase in the budget. Contributions have been received from 54 churches and 140 individuals during the year ending March 31, 1939. It is a source of great gratification to the Committee that contributions from churches and church organizations have increased from an average of $276.00 per month to an average of $489.76 during the fiscal year, while contributions from individuals have increased from an average of $216.70 per month to an average of $371.40 per month at the same time. The Committee feels that its faith in making new appointments before funds were on hand for them has been justified by the way the Church has responded to the increased need.

The Committee would remind the General Assembly, however, that it is still working on a very close margin, and that if its work is to be put on a truly sound basis contributions must still be increased at least in reasonable measure during the next year. Your Committee has been unable to set aside any sums for furloughs of missionaries or for emergencies that may arise. The Committee also has numerous applications from those who would like to go as foreign missionaries, and is prepared to send out more missionaries only as the Church supplies the necessary funds.

The terms of the following members of the Committee expire at this time: Ministers John C. Rankin, Ned B. Stonehouse, Th.D., and Edward J. Young, Elders Edward F. Hayden and Matthew McCroddan.

While the vote was being counted, the report of the special committee appointed by the Fifth General Assembly to prepare amendments to The Form of Government was presented by the Rev. N. B. Stonehouse, Th.D., chairman. It was moved and carried that the report be received and its recommendations adopted and transmitted to the presbyteries for their action. The report follows:

REPORT OF THE SPECIAL COMMITTEE ON AMENDMENT OF THE FORM OF GOVERNMENT

The special Committee appointed by the Fifth General Assembly to consider certain alterations of The Form of Government submits the following report:

The Committee recommends that the General Assembly propose to the presby-
teries the amendment of chapter XIII. iii. 3 and of chapter XV. xii. 3 of The Form of Government by the substitution of the words “The Orthodox Presbyterian Church” for the words “The Presbyterian Church of America.”

This procedure is in accordance with the provisions of The Form of Government XXIV. ii which stipulates that “amendments or alterations . . . of the forms of subscription required of ministers, licentiates, ruling, elders and deacons, as those forms are found in the Form of Government, shall not be regarded as having constitutional validity unless sent down to the presbyteries by a two-thirds vote of the General Assembly, approved by two-thirds of the presbyteries in writing, and finally adopted by a two-thirds vote of the General Assembly next ensuing.”

Inasmuch as the name of the Church has been changed to “The Orthodox Presbyterian Church” and its government and discipline, approval of which are required in answer to these questions, are no longer accurately designated as “the government and discipline of The Presbyterian Church of America,” it appears that these changes are merely formal in character and are necessitated by the action of the Fifth General Assembly with respect to the name.

The clerk of the Assembly presented the reports of the actions of the several presbyteries on the proposal sent down by the Fifth General Assembly relative to the change of name as follows: to approve the proposal, Philadelphia, New York and New England, New Jersey, Ohio, Wisconsin. No action, California, the Northwest. Answered in the negative, but with a statement that the Presbytery approved the change of name as such, Dakotas.

It was moved and carried that, the requirements of the Constitution having been fulfilled, this Assembly declare that the words “The Orthodox Presbyterian Church” are substituted for the words “The Presbyterian Church of America” wherever those words appear in The Form of Government except in XIII. iii. 3 and XV. xii. 3, and are now in force.

The report of the tellers on the vote for members of the Committee on Home Missions and Church Extension was presented as follows: Ministers R. Strong 43, Stonehouse 35, DeRuiter 35, Murray 23, Allen 18, Graham 14, and Skilton 11, and Elders Grove 39, McClay 38, Richardson 30, and McDonald 8. Ministers R. Strong, Stonehouse and DeRuiter, and Elders Grove and McClay were declared elected to the Committee as the class of 1942.

The vote for members of the Committee on Foreign Missions was taken.

While the vote was being counted, it was moved that the Assembly extend a vote of thanks to the Rev. E. C. DeVelde for his kindness in printing the dockets without cost to the Assembly.

Mr. DeVelde requested the Rev. Samuel J. Allen to take the chair.

The report of the tellers on the vote for members of the Committee on Foreign Missions was presented as follows: *Ministers* Price 43, Jongewaard 39, Sloat 37, Gray 35, and Rankin 21, and *Elders* McCroddan 43, Stultz 28, Crippen 25, Edwards 14, and McClay 0.

It was moved that the secretary of the Committee on Home Missions and Church Extension be instructed to write the churches requesting them in the name of the Assembly to bear a share in the administrative expenses of the Assembly. The motion was amended to read that the clerk of the Assembly do this. The motion was further amended to the effect that the request include information as to the approximate budget for this work for the coming year. The motion as amended carried.

Mr. DeVelde resumed the chair.

Only one elder having received a majority of the votes in the election of members to the Committee on Foreign Missions, a further vote was taken for the election of a second elder. Mr. Stultz was elected. *Ministers* Price, Jongewaard, and Sloat, and *Elders* McCroddan and Stultz were declared elected to the class of 1942 of the Committee on Foreign Missions.

Section No. 3 of the report of the Committee, as adopted by the Assembly, is as follows:

"The following changes in the provisional Book of Discipline are recommended:

(1) The substitution of "The Orthodox Presbyterian Church" for "The Presbyterian Church of America" in III. 1; IV. 5, 9; VI. 2, 3.

(2) The revision of III. 5 to read:

Offenses are either public or private. Public offenses are those which are
notorious or scandalous. Private offenses are those which are known to an individual only, or, at most, to a very few individuals. Private offenses may or may not be personal, a personal private offense being one which involves injury to another.

(3) The revision of III. 6 to read:
No charge of a personal private offense shall be admitted unless the judicatory has assured itself that the person bringing the charge has faithfully followed the course set forth by our Lord in Matthew 18:15-17; nor shall a charge of a private offense which is not personal be admitted unless it appears that the plaintiff has first done his utmost privately to restore the alleged offender.

(4) The revision of III. 7 to read:
When a member of the church is about to present a charge, he shall be solemnly warned by the judicatory that he may be censured if the judicatory, after conducting the preliminary investigation defined in section 8 of this chapter, determines that judicial process with respect to such charge may not be instituted.

(5) The revision of III. 8 to read:
If a charge in the form prescribed by section 4 of this chapter is presented to the judicatory of jurisdiction, the judicatory, or a committee appointed for that purpose, shall forthwith conduct a preliminary examination to determine whether judicial process shall be instituted. The judicatory, or the committee, as the case may be, shall consider (a) the form of the charge; (b) the form and relevancy of the specifications; (c) the respectability of the witnesses named in the specifications; and (d) the apparent authenticity and relevancy of any documents adduced in support of the charge and specifications. The judicatory, or committee, as the case may be, shall determine whether, if formal charges and specifications were to be prepared by the judicatory on the basis of the charges, specifications and documents presented to it, the proof of the charges and specifications would show the commission of an offense. If, after the consideration of the foregoing factors, the judicatory decides that judicial process should be instituted, it shall cause formal charges and specifications to be prepared; shall fix a time for the trial of the case, and shall cite the accused to appear at that time. If the preliminary investigation is conducted by a committee appointed for that purpose, its findings shall be reviewed by the judicatory.

(6) The adoption of a new section IV. 3, requiring that the present sections 3-18 shall be numbered 4-19, the new section IV. 3 to agree with present section IV. 7 except for the first sentence, which shall read: "If the accused refuses or fails to appear at the time appointed for the trial of the case, he shall be cited with the warning that, if he does not appear or give a satisfactory reason for his absence, he may be disciplined for contumacy."

(7) The revision of IV. 3 (new section IV. 4) by the modification of the last clause under (b) to read: "and shall issue citations directing such persons to appear at that time as are required to be present;" and by the addition of the following sentence: "No meeting of the trial judicatory held prior to the time at which the judicatory actually proceeds with the trial shall be considered the first meeting within the meaning of this chapter."

(8) The revision of IV. 7 (new section IV. 8) by the substitution of the following for the first two sentences: "If a witness who is a member of the church fails to obey a lawful citation, he shall again be cited. If he fails to appear after the second citation, the trial judicatory shall issue a third citation with the warning that, if he does not appear, he may be disciplined for contumacy."

(9) The revision of IV. 10 (new section IV. 11) by the substitution for the item under (b) and for the next sentence the following: "the form of the charges, the form and relevancy of the specifications, the respectability of the witnesses named in the specifications, and the authenticity and relevancy of any documents produced in support of the charges and specifications. The trial judicatory shall determine the validity of any such objections. If the accused at this point requests the trial judi-
catory to do so, it shall determine whether the proof of the charges and specifications would show the commission of an offense."

(10) The revision of IV. 12 (new section IV. 13) by the omission of the first sentence and by the addition of "in the case" after the "testimony" in the second sentence.

(11) The revision of IV. 13 (new section IV. 14) by the modification of the first sentence to read: "Only members of the trial judicatory who have been present at the second and all subsequent meetings of the trial judicatory shall be allowed to vote therein, nor may any member who has been absent from any such meeting be thereafter counted in the computation of a quorum;" and by the inclusion before this sentence of the following: "When all of the evidence against the accused has been presented and he has had an opportunity to cross examine the witnesses testifying against him, the accused shall have the right to move for a dismissal of the charges. If this motion is denied by the trial judicatory, the accused may then present his defense and the evidence in support thereof."

(12) The substitution in IV. 15 (new section IV. 16) of the words "a complete and accurate" for the words "a complete stenographic."

(13) The revision of V. 6 by the addition of the following sentence after the first: "Witnesses produced in support of the charges and specifications shall testify in the presence of the accused unless the accused has failed to present himself after citation as provided in IV. 3."

(14) The revision of V. 9 by the alteration of the opening sentence to read: "If new evidence is produced by the accused after he has been found guilty, the trial judicatory shall examine the evidence."

Recommendation No. 11 was read and adopted.

Recommendation No. 12 was read and adopted.

The report, with the recommendations as adopted by the Assembly, is as follows:

The Committee on the Examination of the Minutes of Presbyteries reports as follows:

It has examined the minutes of all the Presbyteries of The Orthodox Presbyterian Church, including those of the now defunct Presbytery of the Northwest. As this Assembly is the first to which the Minutes of Presbyteries were submitted for review since the organization of The Orthodox Presbyterian Church, the Committee found it necessary to devote much time to the examination of these records.

The recommendations, as adopted by the Assembly, are as follows:

1. That the Minutes of the Presbytery of California be approved with the following exceptions: (a) The Assembly express its disapproval of Presbytery's failure to submit the Minutes of meetings held prior to April 22, 1938; (b) The Assembly express its disapproval of Presbytery's action of August 31, 1938, in exempting Mr. Russell Piper from examination in the original languages of Scripture, as required by The Form of Government, XIV. 5; (c) The Assembly express its disapproval of Presbytery's failure to record in its Minutes of February 1, 1939, the ordination of Mr. Russell Piper.

2. That the Minutes of the Presbytery of the Dakotas be approved without exception.

3. That the Minutes of the Presbytery of New Jersey be approved without exception.

4. That the Minutes of the Presbytery of New York and New England be approved with the following exceptions: (a) The Assembly express its disapproval of Presbytery's failure to have the Minutes of the following meetings duly signed: May 28, 1937; October 29, 1937; January 31, 1938; May 23, 24, 1938; June 10, 1938. (b) The Assembly express its disapproval of Presbytery's failure to record that the following meetings were closed with prayer: January 27, 1938; April 1, 1938; September 8, 1938. (c) The Committee feels constrained to call the attention of the
Assembly to the fact that the Presbytery at the conclusion of its meeting of January 10, 1938, did not adjourn but recessed, and that it did likewise at the conclusion of the subsequent meetings, to-wit: February 8, 9, 10, 1939; February 27, 1939; February 28, 1939; March 29, 1939; and the Committee suggests that the Assembly inquire as to the reasons for this unusual procedure.

5. That the Minutes of the now defunct Presbytery of the Northwest be approved without exception and the Assembly instruct its clerk to file these minutes.

6. That the Minutes of the Presbytery of Ohio be approved without exception.

7. That the Minutes of the Presbytery of Philadelphia be approved with the following exception: The Assembly express its disapproval of the Presbytery's failure to submit the Minutes of the meetings held prior to September 20, 1937, in time for examination by the Committee.

8. That the Minutes of the Presbytery of Wisconsin be approved with the following exceptions: (a) The Assembly express its disapproval of the Presbytery's failure to have the Minutes of the following meetings duly signed: July 30, 1936; December 10, 1936; May 11, 1937. (b) The Committee has observed that the Presbytery was organized as "The Presbytery of Wisconsin and Upper Michigan," but that already the Minutes of the second meeting of this Presbytery designate it as "The Presbytery of Wisconsin," and the Committee suggests that the Assembly inquire as to the legality of this change.

9. That the Assembly suggest to the Presbyteries that Minutes are properly signed with the signature of the clerk.

It was moved and carried that the motion to adopt the report of the Committee on the Jurisdiction of the Home Missions Committee and the Presbyteries be taken from the table. It was moved and carried as an amendment to the motion to adopt the recommendation of the Committee, that the Committee on Home Missions and Church Extension and the Rev. Samuel J. Allen be together constituted a committee to examine into the matter of the jurisdiction between the Committee on Home Missions and Church Extension and the Presbyteries, and report to the next Assembly. The motion to adopt the report as amended was carried.

The following Dissent and Protest from the Rev. John B. Thwing, Th.D., was read, received, and filed:

"Inasmuch as many in our denomination do not agree with certain statements made in the Directory for the Public Worship of God (such as those which refer to metrical versions of the Psalms; the statement in IV. B. 2 'although our young children do not yet understand these things,' etc.), and many infelicities of the language and some disorder of thought seem to your protestant to be found in the document as passed; and since such passage imposes upon pastors and sessions some duties both new to them and apparently impossible of successful execution, as a matter of conscience may I be permitted respectfully to record my solemn dissent and protest against the action." Signed, John B. Thwing.

It was moved and carried that the Assembly hereby express to the officials of Westminster Theological Seminary its sincere appreciation of the hospitality extended to it by them.

It was moved and carried that the Clerk of the Assembly be instructed to prepare a transcript of the Minutes of the Fifth and Sixth
General Assemblies, and that they be printed under the direction of the Committee on Home Missions and Church Extension as soon as possible.

It was moved and carried that the time for adjournment be extended to give opportunity for the reading and approval of the Minutes.

It was moved and carried that the Rev. Everett C. DeVelde and the Rev. J. Lyle Shaw be appointed the Committee on Arrangements for the next General Assembly.

The Minutes of the present day's sessions were read, corrected, and approved.

It was moved and carried that the Minutes as a whole be approved.

It was moved and carried that the Assembly be dissolved.

The Moderator made the following declaration:

"By virtue of the authority delegated to me, by the Church, let this General Assembly be dissolved, and I do hereby dissolve it, and require another General Assembly, chosen in the same manner, to meet at the Trinity Presbyterian Church, Cincinnati, Ohio, on the fourth day of June, 1940, at 2:00 P. M."

The Moderator led in prayer and pronounced on those present the Apostolic Benediction.

LESLIE W. SLOAT,
Clerk of Assembly.

A public rally under the auspices of the Committee on Home Missions and Church Extension was held Friday evening. The Rev. Messrs. Meiners, R. Brown, and Churchill, were the speakers of the evening. An offering was taken for the work of the Committee.
